OBJECTIVE 1 - HOUSING

POLICY H1 - Affordable housing shall be provided at a rate of 30% (CLP) of total yield, subject to viability, on site on qualifying infill or rounding off developments, as defined through paragraphs 1.65-1.68 of the CLP. CIL and S106 agreements will be negotiated, with Gwennap Parish Council working alongside Cornwall Council in Negotiating and Exception teams, on qualifying developments.

OBJECTIVE 1 - HOUSING

POLICY H2 - Housing developments within the development boundary of Gwennap parish villages as delineated on maps at Appendix 4 will be permitted where they are small scale (of one or two dwellings) include a range of house type, if possible, including one, two and three bedroom dwellings. Housing developments will also be expected to include, where possible, an element of single level dwellings and to meet the needs of the elderly and people with disabilities in accordance with Lifetime Homes Standards,

OBJECTIVE 1 - HOUSING

POLICY H4 - Housing infill/rounding off development, as defined through paragraphs 1.65-1.68 of the CLP, and the conversion of existing buildings to residential use will be supported where they are small scale (of one or two dwellings) contribute positively to local character and, where possible, help to meet local housing needs and where this does not negatively impact on an alternative use eg. need for business spaces. Within the village areas infill/rounding development should conserve or enhance the special architectural and historic character of these settlements

OBJECTIVE 1 - HOUSING

POLICY H5 - Proposals for small scale Affordable Housing and Truly Affordable Housing developments (as defined on page 5 of this NDP) physically adjacent to the Gwennap settlements boundaries will be supported, under Rural Exception Schemes, subject to the following criteria:

- They comprise small scale developments
- The proposals contribute to meeting the affordable and social rented needs of people with a local connection
- The development is subject to an agreement which will ensure that it remains as affordable housing for people with a local connection in perpetuity
- The proposals would not have a negative impact on the significance of the natural or historic environmental assets, the surrounding rural landscape and the landscape setting of any settlement in the GNPD area or those already living in the area.
- The development is appropriate in terms of its scale, character and location with the sites and settlement with which it is associated.

Open market housing will only be permitted outside the Gwennap settlements development boundaries where this type of development can be demonstrated to be essential to ensure the delivery of Affordable or Truly Affordable Housing as part of the same development proposal and it is well related to the physical form of the settlement and appropriate in scale, character and appearance. in accordance with Policy 9 of the Cornwall Local Plan.

OBJECTIVE 1 - HOUSING

POLICY H6 - Proposals for housing development will be required to provide a minimum of two parking spaces per dwelling, alongside the provision of an appropriate level of outdoor amenity space in relation to the size and nature of the housing to be provided. Proposals accompanied by a parking provision of less than two parking spaces per dwelling will only be permitted if:

- Alternative and reasonably accessible car parking arrangements can be demonstrated and which in themselves do not add to on-street parking
- Otherwise acceptable and well-designed new build or conversion schemes would, in the view of the Parish Council, be incapable of meeting this parking provision.
